

# JOIN siam®

LEADING THE APPLIED MATHEMATICS COMMUNITY

“SIAM has become a highly international professional society. Through its outstanding publications, excellent conferences and inclusive policies, SIAM is an essential part of the lives and careers of its members worldwide.”

— Thomas Y. Hou  
California Institute of  
Technology

Join SIAM's international community of over 12,000 mathematicians, computer scientists, numerical analysts, engineers, statisticians, physicists, educators, and students from more than 90 countries. Let SIAM be your source for news and information about applied mathematics and computational science.

## You'll experience:

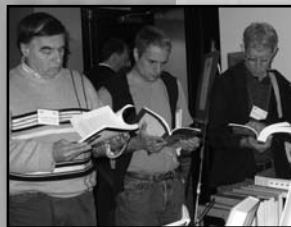

- Networking opportunities
- Access to cutting edge research
- Visibility in the applied mathematics and computational science communities
- Career resources

## You'll get:

- *SIAM News* and *SIAM Review*
- Discounts on books, journals, and conferences
- Eligibility to join SIAM activity groups
- *SIAM Unwrapped* (member e-newsletter)
- Nominate two students for free membership
- Eligibility to vote for or become a SIAM leader
- Inclusion in membership directory

## You'll help SIAM to:

- Increase awareness of the importance of applied and industrial mathematics
- Support outreach to students
- Advocate for increased funding for research and education

## Activity Groups

- Analysis of Partial Differential Equations
- Computational Science & Engineering
- Control and Systems Theory
- Discrete Mathematics
- Dynamical Systems
- Financial Mathematics and Engineering
- Geometric Design
- Geosciences
- Imaging Science
- Life Sciences
- Linear Algebra
- Mathematical Aspects of Materials Science
- Nonlinear Waves and Coherent Structures
- Optimization
- Orthogonal Polynomials and Special Functions
- Supercomputing
