

**siam**.e-books

**SIAM**  
**e-books**

**Universal**

Stored in PDF files, readable on all browsers and computers

**Convenient**

Viewable by chapter and searchable by keyword and chapter heading

**Secure**

Hosted on the same reliable platform as SIAM journals

**Innovative**

Easily cross-searched with SIAM journals by readers and researchers

**Instant Access and Unrivaled Expertise in  
Applied and Computational Mathematics**

**60 YEARS**

**13 SERIES**

**377 TITLES**

**602 AUTHORS**

**Zero Shelf Space**

Since its founding 60 years ago, the Society for Industrial and Applied Mathematics (SIAM) has been a worldwide leader in the fields of applied mathematics and computational science.

SIAM publishes research monographs, textbooks, and classic titles that are respected for their professional rigor and leading-edge content. SIAM authors are experts who communicate their subjects with a sure, thorough approach and an understanding of their readers' needs.

# SIAM e-books

With SIAM e-books, SIAM's expertise is at your command. Books from the following 13 series cover the full spectrum of applied mathematics and computational science:

- Advances in Design and Control (DC) .....17 titles**
- ASA-SIAM Series on Statistics and Applied Probability (SA) .....18 titles**
- CBMS-NSF Regional Conference Series in Applied Mathematics (CB) .....78 titles**
- Classics in Applied Mathematics (CL) .....67 titles**
- Computational Science and Engineering (CS) .....4 titles**
- Frontiers in Applied Mathematics (FR) .....32 titles**
- Fundamentals of Algorithms (FA) .....7 titles**
- Monographs on Discrete Mathematics and Applications (DT) .....11 titles**
- Mathematical Modeling and Computation (MM) .....13 titles**
- MOS-SIAM Series on Optimization (MP/MO) .....11 titles**
- Other Titles in Applied Mathematics (OT) .....81 titles**
- Software, Environments, and Tools (SE) .....22 titles**
- Studies in Applied and Numerical Mathematics (AM) .....16 titles**

An ever-expanding universe of books—377 titles as of January 2012 —hosted on a reliable and secure platform.

**Join more than 70 institutions already offering SIAM e-books, including:**

- American University of Beirut*
- Brown University*
- California Institute of Technology*
- The Chinese University of Hong Kong*
- Cornell University*
- École Polytechnique de Montréal*
- King Abdullah University of Science and Technology*
- Massachusetts Institute of Technology*
- North Carolina State University*
- Northern Illinois University*
- Rensselaer Polytechnic Institute*
- Scuola Internazionale Superiore di Studi Avanzati (SISSA)*
- Stanford University*
- University of Colorado Boulder*
- University of Maine*
- University of Minnesota*
- Université de Montréal*
- University of Washington*
- University of Wisconsin – Madison*
- Yale University*

**E-book titles by primary category:**

(as of January 1, 2012)

	<i>Number of e-book titles</i>
Computational Mathematics	49
Statistics	36
Linear Algebra	34
Partial Differential Equations	32
Optimization Theory	29
Control and Systems Theory	27
Numerical Analysis	21
Discrete Mathematics	18
Real and Complex Analysis	15
Ordinary Differential Equations	14
Biological Sciences	12
Applied Probability	10
Other Topics	80

**2012 Access plans:**

**Perpetual Access**

A one-time fee opens the online collection to your readers...forever. Approximately 400 new and backlist books with guaranteed access that never expires. Annual add-on subscriptions in subsequent years will add permanent access to new e-books as they are published.

*SIAM academic or corporate members: \$11,920 / Nonmember institutions: \$14,900*

Annual add-on subscription:

*SIAM academic or corporate members: \$1,200 / Nonmember institutions: \$1,500*

**Annual Subscription**

Subscribing to SIAM e-books gives your readers instant access to approximately 400 SIAM backlist books and any new e-books posted by SIAM during the subscription year. Access to the library continues for as long as you subscribe—and you maintain perpetual access to e-books published during your subscription period.

*SIAM academic or corporate members: \$1,520 / Nonmember institutions: \$1,900*

**The SIAM e-books website has additional information, including:**

- MARC records
- Sample agreement
- Link to the e-book platform
- FAQ about SIAM e-books
- SIAM's newest e-book titles

[www.siam.org/ebooks](http://www.siam.org/ebooks)

**Who needs SIAM books?**

Professionals, educators, and students in:

- Aerospace engineering
- Biological sciences
- Chemical engineering
- Computer science
- Control and optimization
- Data mining
- Economics and finance
- Electrical engineering
- Image processing
- Industrial engineering
- Management sciences
- Mathematical programming
- Mechanical engineering
- Operations research
- Physics
- Simulation and modeling
- Social sciences
- Statistics and probability

...and nearly every other technical and scientific category!

*“SIAM e-books give researchers and faculty at UMN a great alternative to the print versions we offer. Users never have to wait for a book to be returned to the library if they need to access information right away.”*

— Kristine Fowler, Mathematics Librarian, University of Minnesota
