Being held in:
Minneapolis, Minnesota
Hyatt Regency Minneapolis
General Information

The exhibit hall at the 2012 SIAM Annual Meeting will be open Monday, July 9, through Thursday, July 12. This meeting is a gathering of applied and industrial mathematicians, computer scientists, engineers, and statisticians from a variety of fields. This meeting provides a forum for attendees to exchange ideas, expand their network, and discuss the latest trends in the mathematical sciences community. We anticipate an attendance of between 850–1275.

How will the 2012 SIAM Annual Meeting be Promoted?

Call for Papers
A call for papers is sent to more than 18,000 individuals, including all SIAM members plus members of related societies. The call for papers is posted on the SIAM website at www.siam.org/meetings.

Space Advertising
The meetings are advertised in SIAM News and other trade publications and conference calendar listings.

Poster Program
A poster promoting the meetings was mailed in July 2011 to more than 15,000 people and locations, including all SIAM members, academic institutions, federal government agencies, industrial research organizations, and relevant departmental chairpersons.

Program Information
The program information will be posted on the web at siam.org/meetings and promoted in SIAM News and SIAM Connect, on postcards, and via other social media.

Promotional Opportunities for Exhibitors

Complimentary visitor passes
Invite your preferred clients and potential customers to visit you at the show. Two passes, valued at $50 each, are available to exhibitors at no charge. The passes allow entry to the exhibit and coffee hall only. Admission to technical sessions requires full registration.

Sponsorship of refreshment breaks and/or receptions
Increase your organization’s presence at the SIAM meeting by taking advantage of a sponsorship opportunity. You can provide food, entertainment, a great location for an event, or even needed essentials, like registration bags or internet access! You will be recognized in the program and on signs throughout the meeting for your generosity and support of the meeting and the applied and computational mathematics community. A sponsorship contract is enclosed and is also available online at www.siam.org/meetings/pdf/sponsor12.pdf. For details about specific events please contact Kristin O’Neill (oneill@siam.org) via e-mail.

Exhibit Hall Traffic Builders

Space Allocation

Booths will be assigned on a first-come, first-served basis, determined by the date the contract and payment are received. Prior exhibition at SIAM events will also be considered. If the booth(s) of your choice has already been assigned, you will be given the nearest booth available. The final deadline for receipt of contract and payment for booth space is June 11, 2012.

Cancellations

A full refund of monies paid to SIAM will be returned to the exhibitor if written notice of cancellation is received 60 or more days prior to the meeting. If such cancellation is received between 30 and 59 days, 50% of all monies paid to SIAM by the exhibitor will be returned. If such cancellation is received 29 or fewer days prior to the meeting, SIAM will not return any monies paid by the exhibitor to SIAM.

Hotel Accommodations—Reserve Early!

SIAM’s 2012 Annual Meeting and the SIAM Conference on Financial Mathematics and Engineering will be held at the Hyatt Regency in Minneapolis.

The room rate for SIAM meeting attendees is $159 per night. These rate will be offered three days before and three days after the official conference dates (July 9–13, 2012), based on availability, to accommodate those wishing to spend extra time in the area. Don’t forget to say you are with the SIAM conference to get the discounted conference rate.

Room reservations are the responsibility of each participant and should be made by calling the hotel directly or by using the “online reservations” hyperlinks on SIAM’s website. The cut-off date for making hotel reservations is June 8, 2012. Accommodations after that date will most likely be difficult to obtain due to two SIAM meetings being held concurrently. We strongly suggest that you make your reservations early.

About SIAM

The Society for Industrial and Applied Mathematics was founded in 1952 to further the application of mathematics to science and industry, to promote basic mathematical research leading to new methods and techniques useful to industry and science, and to provide media for the exchange of information and ideas between mathematicians and other technical and scientific personnel.

SIAM conferences are centered around specific applications of mathematics. Topics include: dynamical systems, linear algebra, optimization, simulation, parallel processing, geometric design, and others. Every SIAM conference provides exhibitors with an opportunity to display their materials on tabletops. The annual meeting is currently the only meeting to include a traditional exhibit hall with booths.

Each issue of SIAM News contains articles and information, a calendar of events, professional opportunity ads, and much more. Other vehicles available for advertising are SIAM’s 12 online and print journals and the final programs for each SIAM conference.

Booth prices are:

- $1225 for the first 8’ x 10’ booth
- $1150 for the second 8’ x 10’ booth
- $1150 for any additional booth(s)

To ensure your booth space and preference in location, return the enclosed contract with payment on or before June 11, 2012.

Full refunds are paid 60 or more days prior to the conference.

LIABILITY: Upon approval of this contract by an authorized Exhibitor representative, it is expressly understood that the Exhibitor has read and agreed to abide by the SIAM liability policies outlined below.

The Society of Industrial and Applied Mathematics, hereinafter referred to as SIAM, and all organization and individuals who are employed by or associated with it, in connection with this Exhibition, will not assume responsibility and shall be held harmless by all exhibitors for damage or loss resulting from fire, theft, or any other cause whatsoever, including accident or injury to exhibitor, their employees and agents, the public, or others. The Exhibitor agrees to pay promptly for any and all damages to the exhibition building or its equipment incurred through carelessness, or otherwise, of exhibitor or his employees or agents.

LOCATION: SIAM reserves the right to determine final placement of the Exhibitor.

TRANSPORTATION/SETUP: All transportation costs, and any other costs related to exhibit setup not explicitly offered above by SIAM, are to be paid by the Exhibitor. The address and date by which all materials must be sent will be available at a later date.

TERMINATION OF EXHIBITION: In the event that the premises in which the Exhibition is or is to be conducted shall become, in the sole discretion of SIAM, unfit for occupancy, or in the event the holding of the Exhibition or the performance of SIAM under the Exhibition Reservation Contract (of which these Rules and Regulations are a part) are substantially or materially interfered with by virtue of any cause or causes not reasonably within the control of SIAM, said Contract and/or the Exhibition (or any part thereof) may be terminated by SIAM. SIAM shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of SIAM.
