

Forward Looking Session

Ash Kapila
National Science Foundation
(Division of Mathematical Sciences)
&
Rensselaer Polytechnic Institute

April 1, 2008
NC 08

Panelists

- ❖ Stewart Cant, University of Cambridge
- ❖ John Bell, Lawrence Berkeley Laboratory
- ❖ Arnaud Trouve, University of Maryland
- ❖ Don Schwendeman, Rensselaer Polytechnic Institute

Charge

- ❖ Pressing (societal, industrial, scientific) needs that demand the attention
- ❖ Needed advances in computational resources: algorithms/hardware
- ❖ Needed advances in theory/modeling
- ❖ Opportunities created by recent advances
