siam® Student Travel Support Sponsorship

SIAM invites you to sponsor student travel!

Students benefit enormously from attending and participating in SIAM meetings.

Student travel sponsorships are in the amount \$750; however, in cases in which intercontinental travel is required, the award is increased to \$900. This includes \$100 to cover the student registration and \$650/\$800 to reimburse travel expenses. The sponsorship amounts should be \$750/\$900 or multiples of \$750/\$900. The deadline for sponsoring student travel is three (3) months prior to the conference(s) of your choice.

Students who are selected to receive travel support will be given a list of organizations that made support possible for that meeting.

Sponsors will be given a list of student awardees for that meeting.

All sponsors are recognized on site with a large sign in the registration area and on the conference website.

Yes, I would like to sponsor student travel in the total amount of \$_____ for the following SIAM conference(s):
